

...and now it's time to celebrate

By Ian Whybrow

And now it's time to celebrate with three resounding pips.

So come on everybody, raise your whistles to your lips.

(Wait for it...!)

Blow for the old City boots that trod trod trod.

(*Whistle!*)

One for the new supporters and the Sawston squad.

(*Whistle!*)

And loudest of all, just to show that we're alive -

Blow for the Big Kick-off here at Lilywhite Drive.

(*Loud Whistle!*)
